**THIRD JOINT CASE RESOLUTION STATUS REPORT**

---

Pursuant to the Court’s Order staying this case for 90 days (Doc. No. 31), Defendant, City of Lebanon, Tennessee, and Plaintiff, Tennessee Riverkeeper, Inc. (collectively, the “Parties”), jointly submit the following report regarding their good faith efforts to resolve this case:

The Parties conducted an in-person mediation with Bob Martineau, former Tennessee Department of Environment and Conservation Commissioner, on April 14, 2025. On April 22, 2025, the Parties conducted a virtual follow-up session with Mr. Martineau. Since then, they have continued to communicate with Mr. Martineau about a resolution.

The Parties have reached agreement on almost all material terms. There is one outstanding issue that is pending approval from the City Attorney, who is out of town this week but will be back in the office on May 5. Before the stay expires next week, the Parties will file another notice with the Court advising whether the case has resolved.

Respectfully submitted,

/s/ Mark E. Martin (with permission)
